

Beeman Fifth Grade

Hybrid Learning 2020-2021

Welcome to Fifth Grade!

Dear Fifth Grader,

We hope you have had a fabulous summer, despite the craziness of Covid. Fifth grade will be the best! It is a year packed with learning, activities, and fun!

As you know, this year you will have three teachers. Your teachers will be Mrs. Lafata, Ms. Amadon, and Ms. Wentzell. It doesn't matter who you have as your homeroom teacher because you will be spending one third of the day with each of the three teachers. Ms. Amadon will be teaching fiction reading, writing and social studies. Ms. Wentzell will be teaching nonfiction reading, writing, and science. Mrs. Lafata will be teaching math.

Because we know that it has been a difficult time for some families, we will be providing you with most of the supplies needed for the year to begin.

We have purchased a clear 12" x 12" plastic container for you to keep all your supplies in at school.

There are a few things that would be helpful for you to bring in:

- Water bottle with a straw (This will allow you to drink by slipping the straw underneath your mask)
- Extra mask
- Small zippered, flat pencil pouch (small enough to fit into the clear supply box)--NO binders, boxes, or "trapper keepers"
- Small hand sanitizer
- Pocket pack of tissues

At this time, **no** other school supplies are needed for your box.

Please do not bring anything extra.

The following items are not necessary, but always helpful:

- Clorox wipes, tissues, paper towels
- (we know wipes are a real challenge to find)

We are looking forward to seeing you on the first day of school.

Your Fifth Grade Teachers,

Mrs. Lafata, Mrs. Amadon, & Ms. Wentzell
