### Got Stuff?

**Bring it in for the Beeman Student Holiday Store!**

***Cleaning out your closets for Fall cleaning?  
We need your gently used items appropriate for gifts.***

Continuing on with that wonderful Beeman tradition of having a store for our students to buy presents for their families, we will host the Beeman Holiday Store this December. We are collecting those items you have in your home that would be suitable for re-gifting and are just-like-new such as:

- unwanted gifts
- mugs
- gently used cookbooks
- ceramics

Any item you have no need for, but you know would be a perfect gift for that special someone in a student's life. There is a collection box in the front lobby. We could also use your extra holiday wrapping paper, gift tags tissue and tape.
