*Winter Concert*

*Students will be treated to two concerts this month. The O'Maley band and the GHS Docksidiers will come to visit and lead our students and staff in some singing and fun to get us all into the spirit of the season. To ease the busyness of the season, we have moved our student concert to January. Students will perform a winter concert for their families on January 17th. We will send a detailed notice home after the holiday break.*
