

The Beeman Buzz

From the Principal's Office

October 2019

Fall is quickly setting in and mornings can be cool while mid-day recess warms up. Please send your child with layers so they can be comfortable outside with the temperature changes throughout the day.

We continue to see large numbers of students on the playground before 8:10. There is no Beeman staff supervision during this time. Students should enter the building for early morning breakfast instead.

School-Wide Meeting Theme:

School Safety
