#### **Welcome Back!**

I hope everyone is settling into the school year. Here at Beeman students are doing a great job getting comfortable with their new classes and routines and. To keep things running smoothly, I am sharing a few reminders:

- Students should not be dropped off at the playground before 8:10, there is **NO** supervision
- Our cafeteria opens at 7:45 for breakfast. Students **can not** be dropped off earlier than 7:45 as there is no supervision.
- Please remind your student that the Gaga pit is not open during morning recess
- Students in grades K and 1 need to stay on the upper blacktop area before school. They should not be in the playground area.
- Please leave dogs at home when dropping off and picking up, many students are afraid
- Use caution when entering the Beeman driveway. There are many students crossing.
- Cars pulling up to the curb for arrival must use the live drop off system. You **can not** park your car and escort your student. If you need to walk with your student to the door or have business inside the school. Please park and walk your student in.
